

POOL REGULATIONS

- 1. The main gate is the only exit and entrance to be used. The ticket allows onetime entrance and must be kept and shown in case of control.**
- 2. People suffering from infections or skin diseases as well as people under the influence of alcohol will be refused access.**
- 3. Children, minors under the age of 8, non-swimmers and disabled persons must be accompanied by those with legal responsibility to care for them (f.e. legal guardians, nursing staff).**
- 4. Dogs are not allowed on the premises.**
- 5. The pool management does not assume any liability for lost valuables.**
- 6. People are requested to shower before using the pool.**
- 7. It is strictly forbidden to push or throw people into the pools. Jumping into the Swimmers' pool is only allowed from the pool edge with the diving platforms.**
- 8. Inflatable mattresses, flippers, diving goggles and beach shoes are prohibited in the pools.**
- 9. Ball games are allowed in the designated area only (playing field).**
- 10. Devices and Facilities are to be used according to the rules.**
- 11. Excessive noise of any kind must be avoided.**
- 12. Arbitrary destruction of facilities causes the immediate compensation of the resulting damage.**
- 13. Visitors are asked to keep the premises clean. Empty bottles and all other kinds of rubbish must be thrown into the bins provided.**
- 14. The instructions of the supervisory staff must be attended to.**

People offending the regulations above may be expelled from the premises and refused future admittance.
